## Site Visit

## HRIDAYA POLYCLINIC

### Case Study

Name of the Project: HRIDAYA POLYCLINIC

Location: AT HERLE

Interior Designer: SYNTHESIS DESIGN WORKPLACE

Class: THIRD YEAR

No. of students attended : 15

Time: 9.00 AM TO 2.00PM

#### Report:

- The site visit was arranged for third yr. B.Des. students for the first design problem- 'POLYCLINIC ' respectively.
- Case study site visit formats were given to the students- previously
- Also the spaces are explained to the students through the soft copies of drawings- got from the architect.
- As per the format they have collected the information about each & every imp. design aspect & reflected the same through group wise paper presentation.
- This case study site visit was very useful to the students to understand mainly the area requirements as per the specialties; functions of hospital; activities & day routine performed there; need & standards of circulation & connecting spaces; other norms related to spaces involved; use of existing site conditions while planning; importance of system oriented furniture designs; percentage of utilitarian , aesthetic & HRD components in such types of designs; amenities & facilities to be provided in such spaces; design styles or colour schemes which could be applied to such types of spaces.
