

DECCAN COLLEGE OF INTERIOR DESIGN

REPORT OF RESIDENCE SITE VISIT

DATE: - 08-01-2020

Students visited the residential site of

Ar. Seema Malani on 06-01-2020.

She guided the students with maximum information regarding residence.

SITE VISIT was arranged for students for design project, & to understand the spaces for a residential purpose. Here students were guided how to approach, new design ideas with a concept & Interior aesthetics.

Students studied space requirements, different working zones, furniture systems used for storage n serving, preparation, utility areas anthropometric data etc, and how beautification of space can be achieved.

Students observed and studied materials, colour combinations, ambience of natural light & artificial lights
